

CENTER FOR AGRICULTURAL INFORMATION AND COMMUNICATION TECHNOLOGY
SARDARKRUSHINAGAR DANTIWADA AGRICULTURAL UNIVERSITY
SARDARKRUSHINAGAR-385506
DIST. BANASKANTHA

No.SDAU/AICT/ 1690 /14

Date : 22-9-2014

CIRCULAR

An antivirus software has been installed and available on university website. A training is scheduled at CAICT for the awareness of the procedure for its installation as below.

Date	Time	Office/unit
26-9-2014	11:00 to 12.00	All colleges, all university offices
26-9-2014	13:30 to 14:30	All research units at main campus and Sub centers

The university officers/unit heads are requested to send a candidate for the above said training. The candidate will guide/ install the antivirus software in all the pc's of respective office/unit/research station, accordingly.

You are requested to report this office, if the antivirus software is not installed at your office/unit/research station on or before 30-9-2014. In absence of your report, it would be understood that the antivirus software is installed successfully at all the pc's of your office/unit/research station and the bill will be processed future for payment.

The antivirus is purchased for all the technical and non technical Staff & students of SDAU for next 3 years hence need not to purchase any antivirus up to 30-9-2017.

Director
