

The workshop on “Statistical Tools for Social Science Group” was organized by C.P. College of Agriculture at Sardarkrushinagar during 22-24 November 2017 with a view to updating and refreshing the knowledge of social science professionals and post graduate students. Fifty five participants participated the workshop. The workshop was scheduled with 15 lecturers as well as practicals in which the participants took keen interest and made it interactive. Assignments were given to them to solve the practical problems. The workshop was inaugurated by Hon. Vice-chancellor Prof. (Dr.) Ashok A. Patel, he encouraged the efforts of the organizers. Dr. M. R. Prajapati, Dean (Agri.) was advisor for workshop and given whole hearted support to organize the workshop. Dr. B. H. Prajapati. (Organizer) and Dr. V. T. Patel (Co-organizer) put their efforts for grand success of the workshop.
